Conjunctivitis - Wikipedia - Il papiro, fatto di materiale spesso simile alla carta che si ottiene tessendo insieme gli steli della pianta di papiro, poi battendolo con un attrezzo simile al martello, veniva utilizzato in Egitto per scrivere, forse già durante la Prima dinastia, anche se la prima prova proviene dai libri contabili del re Neferirkara Kakai della V dinastia egizia (circa 2400 a.C.).
Libro - Wikipedia - A urinary tract infection (UTI) is an infection that affects part of the urinary tract. When it affects the lower urinary tract it is known as a bladder infection (cystitis) and when it affects the upper urinary tract it is known as kidney infection (pyelonephritis). Symptoms from a lower urinary tract include pain with urination, frequent urination, and feeling the need to urinate despite ... Urinary tract infection - Wikipedia -
