I will not discuss these issues here, save to say that my sympathies lie more with Churchland (1995, Chapter 10), who depicts basic consciousness as the common property of humans and many non-linguistic animals. "Magic Words" by Andy Clark - nyu.edu - In 1980 I became convinced that speed reading could become a universal skill for all children if it were just made available in the right way to the general public. At that time the only speed reading courses available were those which cost hundreds of dollars per student. Also, these same courses were directed at adults (mostly college students and business owners). Speed Reading 4 Kids - "Reduce Study Time By Half!" -
