some interesting points here but it largely mistakes the issue. Crucially, in the context, Jenny McCarthy is not, was never, an anti-vaccinationist – she was a celebrity mother who witnessed vaccine injury to her child and became a campaigner for vaccine safety (actually she has been more or less forced into silence on the matter for several years). Everyone Has The Right To Challenge Scientific Experts ... - New study says going on about –moral duty– will convince the skeptics (Sure, load on the guilt trip) Last weekend a Reuters IPSOS survey found that if you ask the right questions, a majority of Americans see climate change as a moral obligation. The brains trust inferred from this that the climate propaganda groups ought to load up on discussing values to convince conservatives as if that ... –Moral duty– poll: 57% don't think UN Scientists can speak ... -
